

Mr. Duckett

Senior Seminar

Carl:

Attached is the info on the Senior Seminar in Foreign Policy which you are scheduled to brief on 26 January at 1030-1115 in the Directors Conference Room. You will note the schedule, listing of the members, their pictures in a separate brochure, description of the Senior Seminar Program, and bio sketches of the course members.

I presume you would like to use VuGraphs, and I have asked OTR to have one available in the room.

Will see you at 1630 this afternoon.
